

NT-ware Distribution

Worldwide Proximity via Canon

Our imaging solutions are available worldwide thanks to our strategic partnership with Canon. Together we ensure a high level of service both before and after sales. Intensive training and certification courses build and maintain high level expertise in line with new products and product versions. Through direct communication, NT-ware and Canon can react quickly to market requirements.

Canon Inc., headquartered in Tokyo, Japan, are a world-leading innovator and provider of imaging solutions for businesses and consumers. In 1933, Canon's first trading company, Kwanon was established then, in 1937, Precision Optical Industry Co. Ltd, was founded. Today Canon Inc. develops, manufactures and sells a wide range of copying machines, printers, cameras, optical products and other products to meet a diverse range of customer needs.

Company Structure

Canon believes that the key to their continued success is the establishment of distinct development, manufacturing and sales operations in every global region.

With more than 160,000 employees worldwide, Canon have manufacturing and marketing subsidiaries in Japan, the Americas, Europe, Asia and Oceania as well as a global R&D network of companies based in the United States, Europe, Asia and Australia.
